C. No. 105 -3/42 dated 8 - 7 - 1942.

Sir,

Kollegal Electrification scheme - War propaganda - Connection to Radio receiver set - permission requested.

With reference to the above I have the honour to submit that this Panchayat Board had arranged through the Radio Engineer to purchase one Philips Radio Set to be installed in the Panchayat area under the Inspector of Local Board's Circular number 8291/41 dated 5-4-41. Half the cost of the set was remitted into the Treasury on behalf of the Radio Engineer on 28-8-41. The radio Engineer now informs that the set has been received and he is ready for installing the same. The Radio Engineer has given only an extension of time of 10 days time for the installation which expires on 14-7-42 and all other accessaries are ready, I have proposed to take out the necessary service connection for the radio installation and complete the work inanticipation of sanction before the Radio supervisor arrives with set. Hence I request that you may be pleased to approve my action in giving service to radio instant installation under clause 3 of the Government of India order No. 4 626 (67) dated 26-6-42. The connected load of the service is 125 watts.
